

Don't Forget, Give the Flu Shot
October - March

Love is in the Air?

Wrong.

Nitrogen, oxygen and carbon dioxide are in the air. Mixed in is that dreaded influenza virus.

.... Amy... You know I don't feel well.

Yes Sheldon. It is Flu Season.....

*Flu
Season
October 1
Thru
March 31*

**Don't Forget, Give the
Flu Shot!!**

Flu Season

October 1 – March 31

Well, I must say..... THIS is all Penny's fault.

Keep people like Sheldon Healthy,
Don't Forget to Give the Flu Shot!

You Penny, are the reason I am sick. For all I know you have given me influenza and it is going to make me miserable for at least an entire week.

Really, make YOU miserable?

Flu
Season
is
October 1
Thru
March 31

**Remember to Give Our
Patients the Flu Shot!**

Remember Give the Flu Shot

*Flu Season
Is
October 1
Thru
March 31*

Why didn't they get their Flu Shots?

**FLU SEASON IS ALMOST
OVER!
OCTOBER 1 – MARCH 31**

Sheldon, Sheldon? I'm Sick.
I think you gave me the flu.

Remember you still
need to give the flu
shot!

OH, OH! I know, you should have gotten the flu Shot! BAZINGA!
