

# Opioid Use Disorder Bootcamp Series for Minnesota County Jails

Through this **no-cost, three-part cohort training experience**, Minnesota county jails will learn practical, evidence-based strategies to **increase their Opioid Use Disorder (OUD) treatment capacity**, drawing on insights from jail administrators, clinical experts, and peer recovery specialists, as well as opportunities for open discussion in a collaborative, judgment-free environment.

Participants will:

- Deepen their understanding of **medications for opioid use disorder (MOUD) treatment**.
- Explore the value of **peer recovery services** in correctional settings.
- Discuss how these approaches work together to **reduce jail costs, improve efficiency and resource allocation, and support justice-involved individuals** across the care continuum.
- Review **practical strategies** for planning and implementing correctional MOUD and peer recovery services.

The curriculum is grounded in the *Medication First Model in Jails*, a phased implementation approach developed for the Minnesota Office of Addiction and Recovery and supported by the Minnesota Sheriffs' Association.

**NOTE: The series is only open to Minnesota county sheriffs, jail administrators, correctional leaders, and jail medical staff.** Because topics are presented sequentially to provide a progressive, step-by-step implementation guide, **we ask that jails participate in all three sessions.**

## Schedule

- **Session 1 - Foundation: May 7, 2026** – This session will focus on foundational best-practice strategies for identifying OUD and implementing MOUD and peer recovery services in the jail. It includes operational, financial, and legal aspects for planning and implementation.
- **Session 2 - Workflow: July 14, 2026** – This session will focus on clinical and operational workflow topics for MOUD delivery and incorporation of peer recovery to support adherence to treatment and support recovery during incarceration.
- **Session 3 - Reentry: August 19, 2026** – This session will focus on best practices for jail release planning and reentry into the community for justice-involved individuals.

## Session Times (all)

10 a.m.–3:30 p.m. Networking: 3:30–4 p.m.

## Location

[Park Event Center](#), 500 Division Street, Waite Park, Minnesota

## Register

**Registration closes May 5.**

A confirmation email with additional details will be sent after registration. Please check your spam or junk folder if you do not see it.

## Special Accommodations

Stratis Health is committed to ensuring full participation in all programs and events. If you need accommodations or have questions about physical accessibility, contact **Katie Stangl**, [kstangl@stratishealth.org](mailto:kstangl@stratishealth.org).

## Continuing Education

This bootcamp series may meet continuing education requirements for your discipline. Participants are responsible for determining eligibility. After completing the post-event evaluation, attendees will receive a certificate of attendance that may be submitted to their accrediting body for CE consideration.
